**M/V BELLA DESGAGNÉS DELAYED BY DIFFICULT NAVIGATION CONDITIONS**

**Rimouski, September 27, 2018** — Relais Nordik, operator of the coastal supply ship service for Anticosti Island and the Lower North Shore, announced today that the M/V *Bella Desgagnés* is approximately 16 hours behind schedule due to difficult navigation conditions that have prevailed since last week in the Gulf of St. Lawrence.

Forecasted weather and longer transshipment times due to a very high volume of cargo on board could cause additional delays.

Relais Nordik invites its customers to follow the progress of Bella Desgagnés by consulting the website <http://position.desgagnes.com/rni.asp> which will be updated regularly. The Company also invites all users to check with their local agent to determine the estimated arrival and departure times in their port.

The Company strives to minimize impacts and return to the regular schedule as quickly as possible.
