DIFFICULT NAVIGATION CONDITIONS FURTHER DELAY THE M / V BELLA DESGAGNÉS

Rimouski, October 4, 2018 — Relais Nordik, operator of the coastal supply ship service for Anticosti Island and the Lower North Shore, announced that the *N/M Bella Desgagnes* is currently sheltered off the coast of La Romaine waiting for conditions to improve.

The ship was not able to dock in Natashquan and Kegaska due to the weather conditions. As soon as conditions improve, the ship will proceed towards the La Romaine wharf and continue its eastern itinerary.

Relais Nordik asks its customers to follow the progress of the *M/V Bella Desgagnés* by consulting the website at <http://position.desgagnes.com/rni.asp>, which will be regularly updated and also invites all users to check with their local agent for expected arrival and departure times in their port.

The Company strives to minimize impacts and thanks its customers for their understanding.
