FALL - WINTER SCHEDULE FOR M/V BELLA DESGAGNÉS

Rimouski, October 9, 2018 — Relais Nordik, operator of the coastal supply ship service for Anticosti Island and the Lower North Shore, announced today that its autumn schedule will be in effect as of Monday, October 15, 2018. The carrier is confident that these schedule modifications will respond adequately to the needs of local users of the service from October through January inclusively.

Following the imposition of the speed limit for the protection of right whales, Relais Nordik had to adjust the Fall-Winter 2018-2019 schedule posted on its website, given the longer transit time between Sept-Îles, Port-Menier and Havre-Saint-Pierre, both downstream and upstream. The Company asks that customers who already have a reservation consider this new schedule in order to adjust their travel accordingly.

A copy of this schedule was supplied with this announcement and may also be consulted on the Company's website at the following address: www.relaisnordik.com. However, passengers are requested to verify the estimated arrival and departure times in their port with their local agent or with the Company at 1-800-463-0680.

Important note

The M/V Bella Desgagnés' primary mission is to safely transport cargo to local communities and provide them with a reliable and safe means of transportation every week. The voyage is not a traditional cruise.

Stopovers are therefore determined based on the time needed to load and unload cargo. The duration of stopovers may also be increased or decreased if, for a number of operational reasons, the ship must make up for a delay or adjust its schedule due to unfavorable sailing conditions.

Given the constraints of sailing conditions the timetable is in no way guaranteed. If you have made arrangements to use the services of another public carrier (plane, ferry, motor-coach or rail services) to return home at the end of your sea voyage, we recommend that you give yourself a 36 to 48 hour window between disembarking from the vessel and your embarkation with the subsequent carrier.
