Press Release

For Immediate Release

**REPAIR WORK CONTINUES ON THE BELLA DESGAGNÉS;
THE ITINERARY WILL BE MODIFIED FOR THE CURRENT VOYAGE**

Rimouski, September 24, 2019 — Relais Nordik, operator of the maritime service of the Anticosti Island and the Lower North Shore, announced that repairs undertaken since last Sunday will likely continue until Thursday. Consequently, and to minimize delivery delays, the vessel's journey will be modified. Thus, when the repairs will be completed, the Bella Desgagnés will leave Sept-Îles to go directly to Blanc-Sablon after having visited the ports of Port-Menier and Havre-Saint-Pierre weather permitting.

From Blanc-Sablon, the ship will resume its regular upstream voyage.

Given the modified route downstream, the Company will contact all passengers who made their reservation by noon on September 25 to inform them of the procedure to be followed to benefit from the air transportation offered to them in lieu of the Bella Desgagnés.

It is therefore imperative that all guests, who have planned to travel this week, make a reservation before Wednesday, September 25 at noon.

Relais Nordik makes every effort to minimize the impact on their customers.
