**For Immediate Release**

**THE M/V BELLA DESGAGNÉS STILL DOCKED IN SEPT-ÎLES**

**Rimouski, September 27, 2019** — Relais Nordik, operator of the coastal supply ship service for Anticosti Island and the Lower North Shore, announced today that M/V *Bella Desgagnés* is still docked in Sept-Îles and repairs continue. Final procedures for re-commissioning require more time than expected, but these are essential to ensure service reliability. It is estimated that they will be completed during the weekend.

As repairs continue and to minimize delivery times for the goods received this week, M/V *Bella Desgagnés* will resume her scheduled service starting Monday, from Rimouski. In doing so, we expect that all goods received this week and those already on board will be delivered to the communities during the week of September 30th. A schedule will be published when the vessel leaves Sept-Îles.

As soon as the ship leaves Sept-Îles, customers will be able to follow the progress of M/V *Bella Desgagnés* by consulting the website <http://position.desgagnes.com/rni.asp> which will be updated regularly. The Company also invites all users to check with their local agent to determine the estimated times of arrival and departure in their port.

The representatives of the Company make every effort to minimize the impact on their clients.
