CANCELLATION OF THE TOURIST SEASON FOR THE M/V BELLA DESGAGNÉS

Rimouski, June 1, 2020 — The company Relais Nordik, operator of the maritime service of Anticosti Island and the Lower North Shore, wishes to provide certain details to its users in response to the press release issued by Minister Garneau on May 29.

In a press release, Minister Garneau announced that "the operation of cruise ships providing accommodation and authorized to transport more than 100 people is prohibited in Canadian waters until October 31, 2020". As a result, Relais Nordik is forced to cancel its tourist season aboard the Bella Desgagnés. The clientele affected by this decision will be contacted by the Company shortly to inform them of the options available to them.

The safety and health of the local population and its crew is important to Relais Nordik. The Company would like to thank everyone for their understanding.
