## CONDITIONS

### PREAMBLE

Pursuant to a contract (“the Contract”) binding the ministère des Transports du Québec (“the Ministry”) and Relais Nordik Inc. (“the Carrier”), the Ministry contributes financially to the maintenance of maritime service (“the Service”) for isolated communities of Anticosti Island and the Lower North Shore that are not connected by Québec’s road network. Per an agreement devolving responsibilities between the Ministry and the Société des traversiers du Québec (“the STQ”) regarding the transfer and management of certain contracts, the STQ is responsible for management of the Contract and must assume all the rights and obligations of the Ministry.

As specified in the Contract, the Carrier is required to comply with the conditions and tariffs for the carriage of passengers who are Residents of Anticosti Island and the Lower North Shore, in keeping with the meaning of the word “RESIDENT” as defined in article 1. b). This document sets out the conditions and tariffs for the carriage of Resident – passengers.

The Carrier may apply the conditions and tariffs of its choice with regard to Non-Resident – passengers. However, the Carrier must ensure that Residents always enjoy the lowest tariffs. This document outlines certain conditions and tariffs for the carriage of Non-Resident – passengers, for information purposes only.

### ARTICLE 1. DEFINITIONS

**For the purposes herein, and unless the context indicates otherwise, the terms and expressions hereafter have the following meanings:**

#### a) “BAGGAGE”

For the purposes of this definition, any full-time student enrolled in a school outside Anticosti Island or the Lower North Shore shall be considered as a “RESIDENT” provided at least one of the student’s parents or legal guardians is considered a “RESIDENT”.

For the purposes of this document, “residence” refers to the place where the person in question has his or her main legal and official domicile.

**c) "NON-RESIDENT"**

"NON-RESIDENT" refers to anyone who does not meet the definition of "RESIDENT" in article 1. b).

**d) "VOYAGE"**

Such passengers must remain under the supervision of the responsible adult throughout the entire course of their journey aboard the vessel. In the case where a responsible adult is designated by the child's father, mother or legal guardian, the designated adult must not have more than (2) children assigned to his/her care. In all cases, any adult travelling with a child/children is responsible for ensuring that the behavior of all passengers under sixteen (16) years of age in their care does not contravene regulations or general rules of behavior in a public conveyance.

**ARTICLE 3. SPECIAL RULES OF APPLICATION – PASSENGERS – RESIDENTS****a) Identifying Resident – passengers**

The tariffs in Appendix II apply only to maritime carriage of Resident – passengers holding a card attesting to their status or proof of residence accepted as such by the Carrier.

The Carrier alone is responsible for determining the procedure to identify Resident – passengers and, as such, can do so at its discretion.

If Residents are unable to furnish the above-mentioned documents, they will be charged the Non-Resident passenger tariff. In any such case, a claim for the difference between the tariff for Resident and Non-Resident – passengers can be made in writing on the appropriate form to the Carrier within thirty (30) days. The claim must be supported by two (2) documents issued by a government authority or agency confirming Resident status. An administrative fee equal to 15% of the amount to be refunded will be deducted by the Carrier (minimum \$5).

**b) Special tariff for Resident – passengers**

Resident – passengers are entitled to the tariffs listed in Appendix II “Tariffs – Passengers – Residents” and to various other special on board reduced rates.

To benefit from these rates, passengers must prove, to the Carrier’s satisfaction, that they are Residents as per the definition of “RESIDENT” in article 1. b).

**c) Eligibility for half tariff for Resident – passengers (maritime passage)**

The cost of maritime carriage for Resident – passengers is half tariff (50% discount) for children fifteen (15) years of age and under and for persons sixty-five (65) and over. Eight (8) of these Economy cabin berths and eight (8) of these Standard quad cabins must be available at the beginning of each trip, on both eastbound and westbound legs, exclusively for Resident – passengers without reservations, on a “first come, first served” basis.

The twenty (20) remaining cabin berths may be reserved in advance by Resident – passengers only. In order to take advantage of this privilege, Resident – passengers must make their reservation at least fourteen (14) days prior to the departure of the ship from Rimouski. After this deadline, the Carrier will be free to offer the berths that have not been reserved by Resident – passengers to any other potential customer.

**e) First come, first served for Resident passenger reservations**

With the exception of the above-mentioned eight (8) Economy cabin berths and the eight (8) Standard quad cabin berths, the twenty (20) cabin berths for Resident – passengers available on board will be allotted in the order in which reservations are made.

**ARTICLE 4. SPECIAL RULE OF APPLICATION – PASSENGERS – NON-RESIDENTS**

The Carrier may apply the tariffs of its choice with regard to Non-Resident – passengers. However, the Carrier must ensure that Residents always enjoy the lowest tariffs. For the current season, the Carrier will apply the tariffs in Appendix III.

**ARTICLE 5. BOARDING TIME**

For reasons of security and regulation reasons, including the International Ship and Port Facility Security Code (ISPS), all passengers must present themselves at the Carrier's agency at the arrival of the vessel in the port of boarding in order to proceed with pre-boarding procedures including their registration, luggage control and to obtain their boarding pass for the ship. The Carrier reserves the right to deny access to the ship to any passenger not abiding by these rules.

**ARTICLE 6. BOARDING PASS AND ACCESS CARD****a) Boarding Pass**

The name shown on the identification document must correspond to the one appearing on the boarding card. Passengers 15 years old and under are not required to have a photo on their ID card.

**ARTICLE 8. DISCOUNTS**

To ensure fairness and avoid discrimination among Residents, the conditions and tariffs applicable to the carriage of passengers listed herein are non-negotiable and cannot be modified or applied partially unless, in the opinion of the Carrier, such exceptions are justified by the transport conditions and tariffs, logistics, specific volumes and the number of passengers being part of a group.

A passenger monopolizing a seat to carry baggage will be billed the fare cost accordingly. Any baggage left unattended will be confiscated by the Carrier’s staff.

Crew members will refuse for carriage any baggage that is not in accordance with these norms, presents a risk or that cannot be handled or stowed safely on the ship.

The Carrier accepts that the baggage may contain articles (such as milk or juice bottles, diapers or baby quilts) considered essential for the comfort of very young children travelling with a parent or a guardian.

The Carrier may deny access to the ship to any passenger not abiding by these rules.

The policy specifying the time at which passengers may occupy their assigned cabin and the time by which the cabin must be vacated is posted aboard and is communicated to passengers who have confirmed their booking. This policy is based on the time of arrival in the ports of call and the number of passengers on board.

**ARTICLE 15. EXCHANGE RATE (CAD vs USD)**

It is **STRICTLY FORBIDDEN** to let animals run free or on a leash anywhere on the ship, including on the outside deck and inside the ship cabins, for any reason whatsoever.

Domestic animals are carried on board the ship at the risk of the owner. The Carrier, ship owner or charterer, and their administrators, managers, and employees assume absolutely no liability in

the event of the death or any subsequent health problems of the animals or for any action or suit brought against them by anyone whosoever as a result of the animal's behavior or conduct.

The Carrier requires that owners of animals using the kennel facilities undertake to respect the rules there applying.

The owner and the animal must wait until the end of the boarding or disembarking period to board or disembark from the ship so as to not interfere with the other passengers. The owner is responsible for the well-being of the animal in the kennel and must ensure that it has everything it needs during the trip. He must clean the cage of his animal regularly and also at the end of the trip. The owner of the domestic animal carried must take all appropriate steps to ensure the health and prevention of infection of the animals during transport. To ensure that the owner cleans the cage occupied by his animal, the Carrier may request a deposit.

Maritime transport tariffs for domestic animals accompanying a passenger are the same as those in force (RNI/TG-M) for the current season and are subject to the minimum tariff. Each domestic animal will be registered on a unique bill of lading.

**APPENDIX IV**

**CONDITIONS OF CARRIAGE FOR  
BOARDING PASSES**

**FOR MARITIME SERVICE TO ANTICOSTI ISLAND  
AND THE LOWER NORTH SHORE**

**RNI/TG-P 2025-2026**

***M/V Bella Desgagnés***

**BOARDING PASSES**  
**FOR MARITIME SERVICE TO ANTICOSTI ISLAND**  
**AND THE LOWER NORTH SHORE**

**CONDITIONS OF CARRIAGE**

The Passenger (including any person accompanying the Passenger) and the Carrier (including Relais Nordik Inc., its owner or charterer of the ship “BELLA DESGAGNÉS” or of any replacement ship [“the Ship”], its officers, employees, agents, and/or subcontractors) specifically agree to the following, regardless of whether or not this boarding pass is signed:

1. The Carrier is covered by all exemptions and limitations of liability under the *Marine Liability Act* S.C. 2001, c. 6 and any subsequent amendments (“the Act”) for any physical or psychological injury or material damage of any type whatsoever, including death and physical injury to the Passenger, as well as damage to or loss of the Passenger’s baggage. These conditions must be interpreted according to the Act except for those that may supplement it.
2. The Carrier’s liability to the Passenger is limited to events that occur on board the Ship or during boarding or disembarkation, and specifically excludes those that occur at a maritime terminal, on a wharf, or in any other port facility.
3. The term “baggage” refers to any luggage, travel bag, or other similar accessories belonging to the Passenger, accepted as such by the purser or any representative of the Carrier, and used exclusively to transport the Passenger’s personal effects. Any other property is transported as cargo under a separate freight contract. Any perishables or vehicles are considered as cargo and transported as such. Perishable items or alcohol are not permitted in luggage. Passengers may not carry more than twenty (20) kilograms of baggage per person. Baggage that Passengers wish to carry on board must be small enough to easily fit in the baggage storage areas aboard the Ship in order to avoid blocking traffic areas, other seat(s) and service areas reserved for passengers.
4. For comfort and security reasons, and out of consideration for other passengers, carry-on baggage must remain in Passenger’s possession, be stowed in the paid luggage lockers or under the Passenger’s own seat. Passenger’s baggage cannot be placed on one or more seat(s), in traffic areas, in the aisles or in the areas reserved for passengers. They should never be a nuisance to passengers, employees, quality of service or represent a danger whatsoever to security.

A passenger monopolizing a seat to carry baggage will be billed the fare cost accordingly. Any baggage left unattended will be confiscated by the Carrier’s staff.

Crew members will refuse for carriage any baggage that is not in accordance with these norms, presents a risk or that cannot be handled or stowed safely on the Ship.

The Carrier accepts that the baggage may contain articles (such as milk or juice bottles, diapers or baby quilts) considered essential for the comfort of very young children

travelling with a parent or a guardian.

The Carrier may deny access to the Ship to any Passenger not abiding by these rules.

5. In case of loss of or damage to any baggage, the Carrier will incur liability only after deducting 135 units of account per Passenger (approximately CDN \$205 – approximate value in February 2013) as calculated according to the Act.
6. The Carrier will bear no liability for damage to cash, securities, gold, silverware, jewellery, gems, artwork, or other property of value, except if such property is deposited with the Carrier, and the Carrier has agreed to hold them for safekeeping.
7. For security and regulation reasons, including the International Ship and Port Facility Security Code (ISPS), all Passengers must present themselves at the Carrier's agency at least one (1) hour before the expected time of departure of the beginning of their trip, in order to proceed with pre-boarding procedures including their registration, luggage control and the obtention of their boarding pass for the Ship. The Carrier reserves the right to deny access to the Ship to any Passenger not abiding by these rules.
8. For reasons of security and conformity with regulations, each passenger will receive a boarding pass upon registration. This card entitles the passenger to board and re-board the ship at ports along its route prior to arrival at destination. It is the responsibility of the passenger to retain it at all times.
9. In the case where a passenger rents a berth(s) in a cabin and/or uses certain commodities aboard the ship, he will be provided a magnetic access card by the Carrier. A two dollar (\$2) deposit may be required by the Carrier upon issue of this card. This deposit is reimbursed to the passenger upon surrendering of the access card at the end of the passenger's trip. In case of a destruction and/or loss of this card, the deposit will be forfeited as a replacement fee.
10. For reasons of security and conformity with regulations and to enable the Carrier to maintain at all times, per Transport Canada's requirements, an accurate list of the passengers on board, each passenger must provide identification issued by an authorized authority with photo and date of birth at the time of boarding. The name shown on the identification document must correspond to the one appearing on the boarding card. Passengers 15 years old and under are not required to have a photo on their ID card.
11. The Carrier may, at any time and without prior notice, cancel or change the Ship schedule, destination, or itinerary and will not incur any liability for any damage suffered by the Passenger, including purely monetary loss, as a result of these cancellations or modifications, regardless of whether or not they are caused by the Carrier's negligence or that of its employees, agents, and/or subcontractors.
12. The Passenger is liable for any loss or damage he or she may directly or indirectly cause to the Ship or to any of the Carrier's property. For passengers who occupy a cabin and/or use certain commodities aboard the ship, the Carrier has the right to charge replacement costs when items in the cabin or other facilities are missing or damaged by the passenger. In the case of vandalism or voluntary breakage of ground, maritime equipment and/or aboard the ship, the Carrier has the right to expel the passenger

- from the ship in order to maintain security. The offending passenger will be charged by the Carrier for the resulting costs and will also be the subject of a complaint to the competent authorities.
13. Smoking is strictly forbidden on the ship, including the cabins. Any passenger violating this rule will be expelled at the next port and will be subject of a complaint to the competent authorities and will also be charged by the Carrier for the resulting costs. Smoking is, however, allowed in the designated exterior locations.
  14. The Passenger is liable for any fine or penalty levied against the Ship or the Carrier as well as for any damages resulting from any offence or infringement he or she may have committed under any law or regulation.
  15. Any theft, fraud, refusal to obey orders, damage to the Carrier's property, dangerous behaviour, entry into off-limits or restricted areas, illegal consumption of alcoholic beverages, infringement of the regulations governing the carriage of passengers, or physical or mental incapacity of the Passenger constituting a danger to him or herself or to any other passenger aboard the Ship will result in automatic termination of the contract of carriage and the application of any corrective measures the Captain or an Officer acting under his or her orders deems necessary, including the disembarkation of the Passenger at an intermediate port.
  16. The Passenger warrants, at the time of embarkation, that he or she is physically able to travel. All Passengers must advise the Carrier in writing, at the time of the reservation, of any information concerning their health (including food allergies) or any physical incapacity that could affect their capacity to travel and their mobility on the Ship. The Carrier may, at its sole discretion, refuse to embark any person it would consider unable to complete the voyage.
  17. The Captain may assign a new cabin to a Passenger at any time.
  18. The Passenger must inquire with the Carrier about the conditions governing the cancellation of reservations.
  19. The Passenger must advise the Carrier in writing before or at the time of disembarkation of any obvious damage to his or her baggage. In the case of lost baggage or damage to baggage that is not immediately apparent, the Passenger must advise the Carrier in writing within fifteen (15) days of disembarkation, failing which the Passenger is presumed to have received his or her baggage in good condition.
  20. "Resident" of Anticosti Island and Lower North Shore refers to a natural person whose permanent residence is in one of the First Nations communities or other localities on the Lower North Shore (from Kegaska to Blanc-Sablon) or on Anticosti Island. For the purposes of this definition, any full-time students enrolled in a school outside Anticosti Island or the Lower North Shore shall be considered as a Resident provided at least one of the student's parents or legal guardians is considered a Resident.

For the purposes of this document, "residence" refers to the place where the person in question has his or her main legal and official domicile.

21. The conditions and tariffs for the carriage of Residents are subject to the contract binding Ministère des Transports du Québec and the Carrier.
22. “Non-Resident” refers to anyone who does not meet the definition of Resident in paragraph 20.
23. The conditions and tariffs for the carriage of Non-Residents are determined by the Carrier.
24. The Parties agree that the Federal Court of Canada is the only competent court to decide on litigation relating to this contract of carriage.
